the workers are available

(2) The occupier of a factory shall submit for the approval of the Chief
Inspector plans and a site plan in duplicate of the building to be constructed or
adopted for use as a canteen.

(3) The canteen building shall be situated not less than fifty feet from
any latrine, urinal, boiler house, coal stocks, ash dumps and any other source of
dust, a smoke or obnoxious fumes:

Provided that the Chief Inspector may in respect of any particular factory relax
the provisions of this sub-rule to such extent as may be reasonable in the
circumstances and may require measures to be adopted to secure the essential
purpose of this sub-rule.

(4) The canteen building shall be constructed in accordance with the
plans approved by the Chief Inspector and shall contain at least a dining hall,
kitchen, store-room, and pantry, and separate washing places for (i) male workers,
(ii) female workers, (iii) utensils. The minimum height of the building shall be not
less than twelve feet from floor level to the lowest part of the roof and all the
walls and roof shall be of suitable heat-resisting materials and shall be water-

    painted once in three years.

(b) Records of dates on which lime-washing, colour-washing/varnishing or
painting is *carried* out shall be maintained in a Register in Form A annexed to these rules.

(9) The precincts of the canteen shall be kept clean and sanitary. Waste water shall be carried away in suitable covered drains and shall not be allowed to accumulate so as to cause a nuisance. Suitable arrangements shall be made for the collection and disposal of garbage.

(10) Effective and suitable provision shall be made in every part of the canteen for securing and maintaining adequate ventilation by circulation of fresh air.

4. (1) The dining hall shall accommodate at a time at least thirty percent of the workers working at a time:

Provided that in any particular factory or in any particular class of factories, Government may, by an order in writing in this behalf, alter the percentage of workers to be accommodated.

(2) The floor area of the dining hall excluding the area occupied by the service counter and any furniture except tables and chairs, shall be not less than ten square feet per worker to be accommodated as prescribed in sub-rule (1):

Provided that in the case of factories in existence at the commencement of these rules, where it is impracticable, owing to lack of space, to provide ten square feet of floor area for each worker such reduced floor area per worker shall be provided as may be approved in writing by the Chief Inspector.

(3) A portion of the dining hall and service counter shall be partitioned off and reserved for women workers in proportion to their number. Washing place for women shall be screened to secure privacy.

(4) Sufficient tables with impervious tops and chairs or benches shall be available for the workers to be accommodated as prescribed in sub-rule (1):

Provided that where the Chief Inspector is satisfied that satisfactory alternative arrangements have been or will be made, he may exempt any particular factory or class of factories from the provisions of this sub-rule.

(5) A sufficient supply of soap and clean towels shall be provided at the washing places in the canteen for the use of workers.

5. **Equipment.**— (1) There shall be provided and maintained sufficient utensils, crockery, cutlery, furniture and any other equipment necessary for the efficient running of the canteen. Suitable clean clothes for the employees serving in the canteen shall also be provided and maintained.

(2) The furniture, utensils and other equipment shall be kept hygienic. A service counter, if provided, shall have a top of smooth and impervious material. Suitable facilities including an adequate supply of hot water shall be provided for the cleaning of utensils and equipment.

(3) Adequate steps shall be taken at every place in the canteen to
prevent contamination of food, utensils, cutlery and other equipment.

(4) The expenditure of starting a canteen and the extension thereof, including provision for equipment, furniture and utensils, shall be borne by the management.

6. **Prices to be charged.**— (1) Food, drinks and other items served in the canteen shall be sold on non-profit basis and the prices charged shall be subject to the approval of the Canteen Managing Committee. In the event of the Committee not approving the price list or where the Committee is equally divided on the issue, the price list be sent for approval to the Chief Inspector whose decision regarding the matters-in-issue shall be final.

(2) The charges per portion of foodstuff, beverages and any other item served in the canteen shall be conspicuously displayed in the canteen in Urdu and in the vernacular of the majority of workers.

7. **Accounts.**— (1) All books of accounts, registers and any document used in connection with the running of the canteen shall be produced on demand to an inspector.

(2) The accounts pertaining to the canteen shall be audited, once every twelve months, by registered accountants and auditors. The balance sheet prepared by the said audition shall be submitted to the Canteen Managing Committee not later than two months after the closing of the audited account:

Provided that the accounts pertaining to canteen in a Government factory having its own Accounts Department may be audited in such Department.

8. **Managing Committee.**— (1) The occupier shall appoint a Canteen Committee which shall be consulted from time to time as to---

(a) the quality and quantity of food to be served in the canteen;
(b) the arrangement of the menus;
(c) times of meals in the canteen; and
(d) any other matter as may be directed by the Committee.

(2) The Canteen Managing Committee shall consist of an equal number of persons nominated by the occupier and elected by the workers. The number of elected workers shall be in the proportion of one for every one thousand workers employed in the factory, provided that in no case shall there be more than five or less than two workers on the Committee.

(3) The occupier shall appoint from among the persons nominated by him a Chairman of the Canteen Managing Committee.

(4) The occupier shall determine and supervise the procedure for elections to the Canteen Managing Committee. Should there be any dispute in regard to the election of workers representatives; the occupier shall refer the matter to the Chief Inspector whose decision shall be final.
(2) Notwithstanding any by-election the Canteen Managing Committee shall be reconstituted every two years, the previous Managing Committee holding office till such time as new Committee takes charge.

(3) The Canteen Managing Committee may in writing direct the occupier to provide in the Canteen, any item of foodstuff it is satisfied that such item is in general demand, or is likely to be in general demand. Such direction shall specify the size of each portion to be served number of portions which shall be available and the frequency of serving the particular item per week. Such direction shall specify the time within which the direction shall be complied with.

9. The provisions of these rules may be relaxed by the Chief Inspector subject to such conditions as he may deem fit, in the case of factories belonging to the same business, groups or amalgamation where centralized cooking in an approved industrial canteen is arranged for. Adequate arrangement to the satisfaction of the Chief Inspector shall, however, be made in such cases for the convenience and proper distinction of the food cooked to the workers concerned as if a separate canteen had actually been provided in each factory covered by this relaxation.

10. Repeal.—[The Karachi Factories Canteens Rules, 1953 are repealed.]
